How can I increase my cash price?

If your purchase amount is more than the amount you qualify for, you will need to pay the difference in addition to the first payment.

(Your 1st payment + delivery fee, if any, is due at signing)

How can I save money?

Paying extra on your account, or making a larger down payment will save you big money. Any amounts paid above your regular payment applies directly to the furniture purchase price. Please call or see your sales associate for more details on this and other ways to save money with your purchase.
